Kirk McCormick to Co-Present a Knowify Webinar on How Subcontractors Can Turn Slow Seasons Into Business Growth

By RIW on November 27, 2023

On November 30, **Kirk McCormick**, Chair of RIW's Construction Law Group, will participate in a Knowify webinar titled "**Subcontractor's Blueprint: Turning Slow Seasons into Business Growth**."

The webinar will explore navigating seasonality and slow periods as a specialty contractor and will include practical tips covering topics such as evaluating business processes, securing new business referrals and achieving financial goals.

Kirk has more than 20 years of experience representing GCs, subcontractors and other parties on public and private construction projects. He has extensive experience advising contractors on change order processes.

Learn more and **register for the webinar**.
